Table 43-1

SP:

State lawmakers in Harrisburg are proposing a number of amendments to the Pennsylvania Constitution that, if passed by the general assembly, would go before voters in a ballot referendum that voters can vote yes or no on. After each of the following amendments, please indicate if you would vote yes or no for the amendment.

Would you vote "yes" or "no" on an amendment modernizing Pennsylvania election laws to require voter identification?

Table 43-2

SP:

State lawmakers in Harrisburg are proposing a number of amendments to the Pennsylvania Constitution that, if passed by the general assembly, would go before voters in a ballot referendum that voters can vote yes or no on. After each of the following amendments, please indicate if you would vote yes or no for the amendment.

Would you vote "yes" or "no" on an amendment modernizing Pennsylvania election laws to require voter identification?

Table 46-1

SA:

Which of the following statements comes closest to your own opinion about the process to amend the state constitution?

Statement A: Amending the state constitution erodes checks and balances because it doesn't require the governor's signature.

Statement B: Amending the state constitution provides ample checks and balances because it puts proposed amendments directly to voters.

Table 81-2

WO:

On average, Americans must work nearly four months a year to earn enough to pay their annual tax obligations. Do you feel that you should spend less time working to meet tax obligations, spend an appropriate amount of time working to meet tax obligations or should spend more time working to meet tax obligations?

US:

Do you agree or disagree with the following statement: Pennsylvania has arbitrary school district boundaries that traditionally force underprivileged students into under-performing schools. All kids should have access to the best public schools, regardless of location.

Table 89-2

US:

Do you agree or disagree with the following statement: Pennsylvania has arbitrary school district boundaries that traditionally force underprivileged students into under-performing schools. All kids should have access to the best public schools, regardless of location.
