QUESTION K8:

As you may know, Governor Josh Shapiro publicly supported bi-partisan legislation that would fund scholarships for children in Pennsylvania attending the worst-performing schools. The scholarships would provide these children an opportunity to attend a better-performing school.

However, Governor Shapiro recently vetoed funding for these scholarships and has yet to get legislation to create these scholarships to his desk. Thinking about this...

Do you think Governor Shapiro should support or oppose the bi-partisan legislation that would fund scholarships for children who attend the state's worst-performing schools?
