QUESTION SPB8A:

The Regional Greenhouse Gas Initiative (RGGI) is a program that would implement new energy taxes, imposed by Pennsylvania's previous governor by executive order, without approval by the legislature. As a result, the Commonwealth Court blocked the program, ruling it an "illegal tax" that violates the state Constitution.

...Knowing this

Do you support or oppose allowing the governor to unilaterally impose new taxes without a vote by your elected representatives in the legislature?

QUESTION SPB8A:

The Regional Greenhouse Gas Initiative (RGGI) is a program that would implement new energy taxes, imposed by Pennsylvania's previous governor by executive order, without approval by the legislature. As a result, the Commonwealth Court blocked the program, ruling it an "illegal tax" that violates the state Constitution.

...Knowing this

Do you support or oppose allowing the governor to unilaterally impose new taxes without a vote by your elected representatives in the legislature?

QUESTION K8:

As you may know, Governor Josh Shapiro publicly supported bi-partisan legislation that would fund scholarships for children in Pennsylvania attending the worst-performing schools. The scholarships would provide these children an opportunity to attend a better-performing school.

However, Governor Shapiro recently vetoed funding for these scholarships and has yet to get legislation to create these scholarships to his desk. Thinking about this...

Do you think Governor Shapiro should support or oppose the bi-partisan legislation that would fund scholarships for children who attend the state's worst-performing schools?
