Table 28-2  
 QUESTION F02:

U.S. Sen. John Fetterman has publicly declared that he is "not a progressive," but has voted with President Joe Biden more than 97% of the time. In breaking with progressives, do you expect Fetterman to vote often with Biden moving forward?

QUESTION EDS2:

Thinking about K'12 education in Pennsylvania... Below is a series of different ideas and proposals people are talking about in Pennsylvania. After you read each one, please indicate if you support or oppose that proposal.

Establishing an independent authorizer for charter schools, such as a state board or universities, which would approve and renew charter schools: rather than the current system in which only school districts can approve charter schools.

QUESTION SB1:

Pennsylvania Gov. Josh Shapiro has proposed a \$48.3 billion 2024-25 General Fund budget, a \$3 billion or 7.1 percent spending increase compared to last year's ongoing general fund spending. This budget proposes another \$4.5 billion in new spending initiatives and would increase the structural deficit to more than \$6 billion. The proposed new spending would deplete the Rainy Day Fund, necessitating a tax hike of more than \$2,000 per family of four.

Knowing this do you support or oppose Gov. Shapiro's budget proposal?

Table 55-1

QUESTION SB4:

Last year, the governor and state legislature did not agree on a budget in time to meet Pennsylvania's legal deadline of June 30, leading to a 5-month long impasse. Governor Shapiro has said it is now up to the House and Senate to find common ground. Do you believe he should play a more active role in brokering a bi-partisan deal to keep the state budget on track?

QUESTION J4\_1:

Pennsylvania has a full-time state legislature, but lawmakers rarely work a full week. In 2023, the House was in session for just 59 days, and the Senate in session just 57 days. As a result, some lawmakers hold second jobs in addition to their jobs as senators and representatives.

Do you believe that lawmakers should be paid only for the days they are conducting official business?

QUESTION J4\_3:

The Pennsylvania Turnpike is approximately \$16 billion in debt despite years of toll increases and additional increases are expected over the next 30 years. Yet much of the revenue collected from Turnpike tolls is used, not for the Turnpike, but to fund mass transit programs in places like Philadelphia. Knowing this, which comes closest to your personal views?
